The information forwarded in reference, as well as your offer of assistance, are greatly appreciated. We have the following answers to make to your questions in paragraphs 2 and 5:

- a. We can see no reason why SCHUELE may not be shown whatever documents already given to us.
- b. We are in agreement with you that a meeting to be arranged on a government level is best. In this connection SELINGER has already made application for a U.S. visa for the purpose of conferring with U.S. government officials involved in the case.
